

## INVITATION

### International-AllTonesTable 12<sup>th</sup> November 2014

For the first time, WINWIDE is organizing an International-AllTonesTable (I-ATT) for 'Internationals' and 'Locals' in The Hague on **Wednesday 12<sup>th</sup> of November 2014**. The theme will be 'The New Nomads'.

*Who is this new generation of people who live their lives differently? Who are these 'New Nomads' who leave their safe haven to go on adventures around the globe?*

#### **About WinWide...**

WINWIDE is a non-profit organization based in The Hague. Its mission is to stimulate integration, emancipation and participation. WINWIDE organizes AllTonesTables (ATT) where locals and internationals who are interested in in-depth debates can meet and discuss social and civic issues from an intercultural perspective. During the evening, you will enjoy tasty food and drinks as well as creative performances.

#### **For whom?**

The International-AllTonesTables is for the international and local communities in The Hague and surrounding areas. It's a place where locals and internationals can meet and learn from each other. Dutch will be the main language of the evening, but part of the evening will be bilingual. During dinner people can talk in their first language. For those who are interested, language support can be provided.

#### **The International-AllTonesTable**

International, multicultural activities have been prepared for this evening. Itzel Trejo Medecigo, a mezzo soprano from Mexico is the chairwoman. Together with Christine Fischer, a diversity expert from the USA, and Diana van Ringelstein from Indonesia Itzel will lead us through an evening with creative performances and tasty food and drinks.

Ibrahi Khalil will help us experience how people make contact without words. And Mary Ann McEnry from Ireland will tell us her Nomad story and aspiring actor Hugo van Lent will give a performance.
