

INVITATION

**International All-Tones-Tables (ATT) Friday 30th of September 2016 at 17.30hrs
Location Muzee, Neptunusstraat 90-92, The Hague (Scheveningen)**

I-ATT's theme is 'the New Nomads'. The topic of tonight is: 'Cultural Assertivity and Inner Growth'.

WINWIDE cordially invites you to this I-ATT where we will meet, eat and discuss in an international and intercultural setting.

Who are these New Nomads, how do they live and where do they travel?

New Nomads travel, think and feel beyond the borders of their value systems

Curious and willing to leave the safety of their own environment they discover the world of others

Will these travelers impact on the history of mankind and will they bring more peace and harmony to the world?

This evening you will experience ...

- ❖ **Itzel Trejo Medecigo**, mezzo-soprano from Mexico and **Henk Mak van Dijk**, pianist from The Netherlands will lead us through the evening with creativity, songs and music.
- ❖ **Julia Zhu** from China will tell her own New Nomad story. Julia is a young woman from China who came to the Netherlands 11 years ago and is well settled now. But these 11 years were not easy. She will let us in on her story.
- ❖ **A culinary journey** to an Indonesian Rice Table.
- ❖ **Cultural Assertivity and Inner Growth**, an exchange of thoughts. When different cultures and sets of values meet, we can be spurred on to grow in awareness or ... to withdraw in fear. The New Nomad however utilizes such a challenge as an opportunity to grow. That is, to become more firmly rooted in what he himself /she herself is and, at the same time, to become increasingly able to understand other value systems. Tonight's program leads us through an investigation into this challenge. **Moderator: In Liem**, Buddhist and economist, from Chinese-Indonesian background, will lead us through the New Nomad's journey of this evening.

About WINWIDE

WINWIDE is a non-profit organisation for Integration, Emancipation and Participation. WINWIDE brings people with different backgrounds closer together. For this purpose WINWIDE organises the AllTonesTables (ATTs) at regular basis. Here 'internationals' and 'locals' can meet and debate civic and social subjects in Dutch or in English. At these meetings we especially hope to bring out what people *can*, rather than what they cannot do. More info. www.winwide.nl

Our I-ATT meetings are challenging, inspiring and joyful. So, please, come and join!

For registration you can mail me at internationaal@winwide.nl. For information please feel free to contact me at 06-19906553.
